**Siding Options**

<p><b>3/8" LP Smart Panel</b></p>  <p>LP Smart Panel is bonded with LP's proprietary Smart-Guard process. With four components of protection, the process adds strength to weather resistant sheathing. The strong reinforced sheathing resists rot, mold, mildew, insects, termites, and fire. It's the only siding that's built to last 50 years.</p>	<p><b>5/8" T1-11 Pressure Treated</b></p>  <p>T-11 is a solid and true, premium grade, real plywood exterior siding that is engineered against rotting, mold, mildew, insects, termites, and fire. It's the only siding that's built to last 50 years.</p>
